MINUTES: It was moved and seconded to approve the minutes as presented.

TREASURER'S REPORT: The Grant from Jefferson County of \$3,000.00 was received. Expenditures for the month were \$221.60. A Gift Card was purchased for the Senior Heroes Master of Ceremony, Kelly Werthmann. The new year budget was approved.

ANNOUNCEMENTS: TRIAD in June will be the Attorney General's Office presentation on Champions against Medicaid Fraud.

David Appel thanked everyone that helped on Senior Law Day. There were 400 attendees.

Section eight housing lottery will be on line June 19th through the 21st.

OLD BUSINESS:

Senior Heroes comments were that the room was too hot, it flowed well, great recipients, liked the set up where recipients sat with family and friends because it made it more like a social event. Mountain Vista provided the facilities, the food and the valet parking all at no charge. The flowers were donated by Stacie Naslund. Kelly did a great job as M.C. Cary Johnson thanked everyone for his award.

NEW BUSINESS:

Legislative Bar BQ isn't interested in any new partners at this time.

Legislative Forum needs to find a central location. David Appel will check out the Clement Center. We need to keep our format of asking questions specific to senior issues intact. Transportation needs to be worked on. Would like to meet with Legislators in September. A meeting in November could be to meet the new Commissioners.

The July meeting will be an Ice Cream Social. All Council members are welcome to set up tables with information about their organizations.

The business portion of the meeting was adjourned by Cary Johnson.

Today's guest speaker was Bob Murphy, State Director AARP Colorado.

Respectfully submitted,
Mary Ellen Peters, Secretary
